*To all of Year Six,
thank you for a wonderful
experience this year. It is such a
shame we could not be together
and see the whole year through as
a team, but I am really proud of
the hard work and fun we had
together in the first two terms.
Best wishes for Secondary school,
remember, kindness is contagious
and continue to
'Be The Best You Can Be'.

To all of Year 6,
You did it! You made it! I am so incredibly proud of all of
the hard work each and every one of you have
accomplished this year. You have overcome so many
obstacles this year and have demonstrated such
strength, growth and perseverance. You are ready to
move on and begin a new adventure!
'You have brains in your head and feet in your shoes,
you can steer yourself in any direction you choose!'
Do your best, be your best and I know you can achieve
your best! All the best, **Miss Adair**

Dear Year Six,
It has been a rollercoaster of a year...what with
preparing for SATs, staying home to stop the spread
of Covid 19 and managing learning from home. Apart
from that, we have had an amazing year. You have
worked so hard, learnt so much, grown so much and
progressed so much throughout the year. My
message to you, lovely young adults, it is time to
leave the nest and spread your wings. Remember:
DOING YOUR BEST IS WHAT MATTERS. I believe in
you so believe in yourself. You CAN when you put
your mind to it. Good luck! **Mrs Ali**

Dear Year 6

This has certainly been a very strange year, and one we will never forget. You have all
shown resilience and maturity in these uncertain times and this will help you as you begin
your journey through Secondary school and beyond.

It has been a real joy to teach and get to know you all and I wish you every success in your
studies and as you grow and develop into young adults. I hope you stay in touch with us
and update us on all your achievements.

Work hard, set your goals and ambitions and keep pushing until you achieve - you can do it!

Mrs P Dodhia

Dear Year 6,

Take a trip down memory lane to recall your dramatic adventures with me in Evergreen; Fairy Tale characters and the story of Beegu in Year 3, Amazonian Exploration in Year 4, Viking Sagas in Year 5 and WW2 Evacuation in Year 6! Remember all your work with your teachers for Class Assemblies and finally with me and the dance team teachers for the 2019 Winter Production 'Bah Humbug'. Keep exploring and growing your talents.....

*Best Wishes to you all.

It has been a real pleasure to teach most of you from year 3. Some of you have shown real determination and strength of character to go from being afraid to excelling in water confidence and swimming ability, you have all made me very proud to be your swimming teacher, if you take these strengths with you into high school, I know you all have a bright future ahead.

*I wish you all lots of luck in the next phase of your lives.
Keep swimming

MESSAGES FOR 6R

Mr Cooke's Message to 6R-

I have been teaching for almost eleven years and I can honestly say that you were one of the most memorable classes I have ever had. I will always remember the great laughs, deep conversations and thought-provoking questions provided in "5R". I can't wait to see what you all achieve. You will all do great things. As the great Dr Seuss says:

"You have brains in your head. You have feet in your shoes. You can steer yourself any direction you choose. You're on your own. And you know what you know. And YOU are the one who'll decide where to go..."

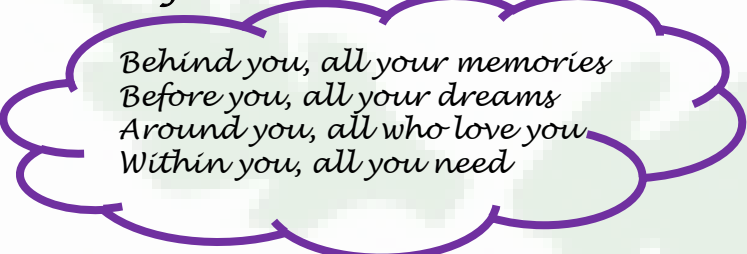

— Dr. Seuss, [Oh, the Places You'll Go!](#)

I can't believe you're finishing year 6!
What a fantastic year we had. I
remember Break 1, Break 2, Break 3,
Break it down! You were such a special

resilient. **Miss Paine**

Congratulations 6R!

*You were my first Year 3 class ever
and what a **memorable** year that was,
from all the craziness to all the

school may seem scary but it will be
one of the best time of your lives. So
make sure to push yourselves, learn
from your mistakes but most
importantly **BE YOU**. You are all
amazing and I will truly miss you all.
Make sure to come and visit me.*
