

Year 4 - Extension, Project Ideas and Learning Links

These activities should be completed in addition to the BBC Bitesize and Oak Academy lessons outlined on previous communication for those children who need additional practice or extension.

-First News – First news is a children's newspaper, which is making available free downloads of their newspapers during school closures. If you wish to download the newspapers for your children to read, they are available at https://subscribe.firstnews.co.uk/free-downloadable-issue/?utm_source=twitter&utm_medium=social&utm_campaign=downloadable-issue

For Spanish, you could complete this lesson: <https://www.thenational.academy/year-4/foundation/el-alfabeto-y-los-numeros-year-4-wk1-2/> to start learning the Spanish alphabet and practise your numbers 1-10. Enjoy!

You can look at the topics we have covered during the year and explore other activities that appeal to you.

Art Project

Create a series of sketches/paintings/collages etc of your home/garden/views from your windows. Keep your drawings together, and date or number order them so they form a chronological record. If you would like some help with how to set up your sketches, Accessart have a great resource to help you with building up your own sketchbook or series of sketches. If you have a piece of art your child/ren are particularly proud of, please feel free to tweet it to us @RoeGreenJS or email through to homelearning@rgjs.brent.sch.uk. Make sure you include name and class with your tweet/email.

Music

Brent's MusicsCool team have put together a fabulous resource for children to practise their music skills at home. Parents will need to sign up, and a School Ping explaining how to do so was sent on the 3rd of April. The activities include making your own instruments, rhythm games, and other great ways to keep music skills sharp.

PSHCE

Create a time capsule to look back on in the future to remind you of what it was like during this lockdown. You can create your own in a shoe box or other container, and include things like newspaper clippings, artwork, pictures, and some of your writing. We will include a printable PDF on the home learning page for the time capsule for those who wish to use it.
